"Shiite Liberation Movements in Support of The
Freedom Conference"

The Freedom Movement for Lebanon announced the launch of the Permanent Conference of Shiite Objection, which will form an umbrella for a collection of workshops for reflection and discussion on Shiite issues, with its political dimension relating to adopting the nation's comprehensive issues, and its social and cultural dimensions relating to the emergence of parallel regimes, especially in education, hospitalization, health, and the cultural manifestations of religious revivals.

To strengthen and expand the US-Lebanon relationship in ways that enhances the security of both countries. To educate and guide decision-makers on the bonds that unite the two countries and matters of interest to the Lebanese American Community.
